Adopt-A-Student Program

Imagine what your life would be like if your family's entire income was about \$25 per week. You would probably have to make some very hard choices about where to spend that money - hard choices, simply within the basic needs areas of food, clothing, and shelter. The idea of spending \$5 each week to send your child to school might seem like a *total luxury* that your family could not afford. Sending *more than one child* to school could seem completely impossible.

Thankfully, many of us do not face such a financial situation. Yet, the above-described scene does exist - on the island nation of Haiti.

Now imagine another scenario. Imagine that it were possible for you (or a group of your friends) to help a school in Haiti - by making a donation of \$250. (This averages out to a little less than \$5 per week). Imagine that your \$250 donation would cover the cost for one child in Haiti to attend school *for an entire year!* And imagine again, that the school you would be helping would be a *Lutheran school*, where children hear about Jesus and learn from the Bible and the Small Catechism. Imagine the difference that you could make for that school and for the lives of those children!

Thankfully, the above-described opportunity does exist. If you participate in LMA's Adopt-A-Student Program as a full sponsor (\$250), we will send you a picture of one student from a school in Haiti that you are helping. We will also send you our quarterly newsletter to keep you updated on the work that we are doing in Haiti. For more information, visit us online at lmamn.org.

Thank you! Your help makes all the difference!

YES!

I want to support the Adopt-A-Student Program. Please use my donation of \$250 (the cost of one student) at one of the schools in the North District of the Evangelical Lutheran Church of Haiti.

I am enclosing my tax deductible gift of \$250. (Lump sum donations are preferred. We also accept payments made over time.) I understand that there is no obligation of the sponsor other than the \$250.
